

A genuine 4wd & Safari Camping experience

Departing from stunning Noosa Heads, our K'gari Safari Tour is a 3 day 2 night adventure for the traveller who's high on life and wants to experience everything this magnificent World Heritage Listed island has to offer with a clear mind and undiminished senses.

Whether it's cruising down K'gari's famous 75 mile beach highway, submerging yourself in it's pristine lakes & streams or staring in wonder at the only rainforest in the world that grows on sand, you'll want to soak up every moment in this natural wonderland.

At the end of each memorable day guests can relax and unwind around the campfire at our exclusive safari style campsite, enjoy a good meal and a few quiet drinks in the company of new friends. A K'gari Safari tour is for those who value fully experiencing the places they visit and prefer a fun, chilled social vibe.

K'gari Safari camp is located 5 minutes from the Maheno shipwreck and 10 minutes from the crystal clear waters of Eli Creek. The camp is protected by a well maintained Dingo fence and is only a short stroll to the beach. The site has hot showers, an amenities block and a general store for your comfort and convenience. Absolutely everything you need for camping is also catered for, as our safari tents have proper beds, comfortable innerspring mattresses & all linen is supplied.
